tri / hover — PASS — Minecraft réel

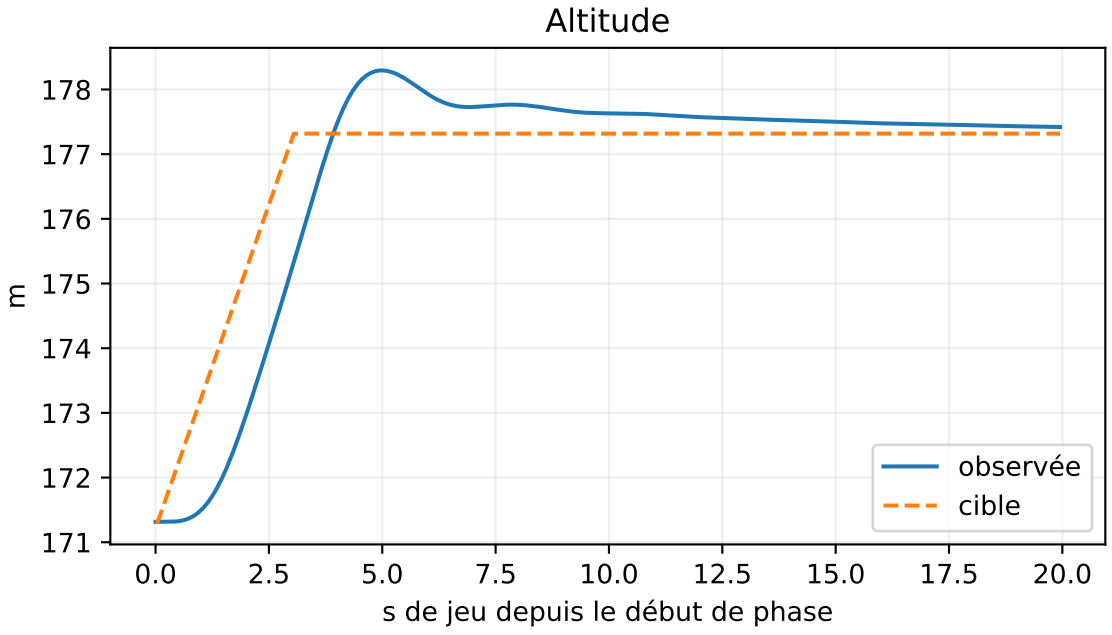

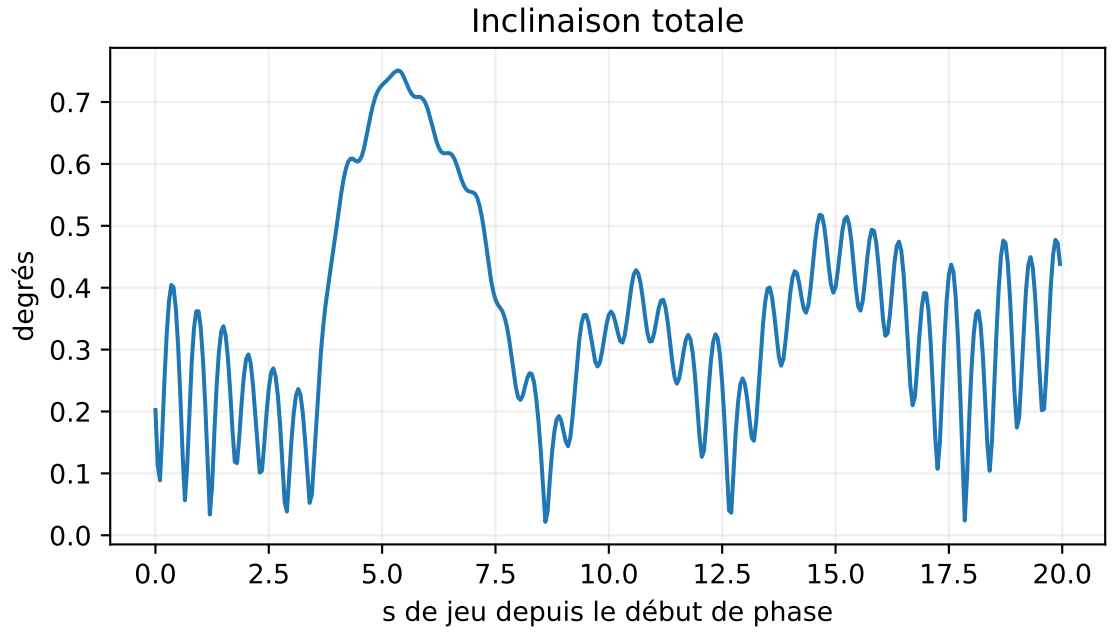

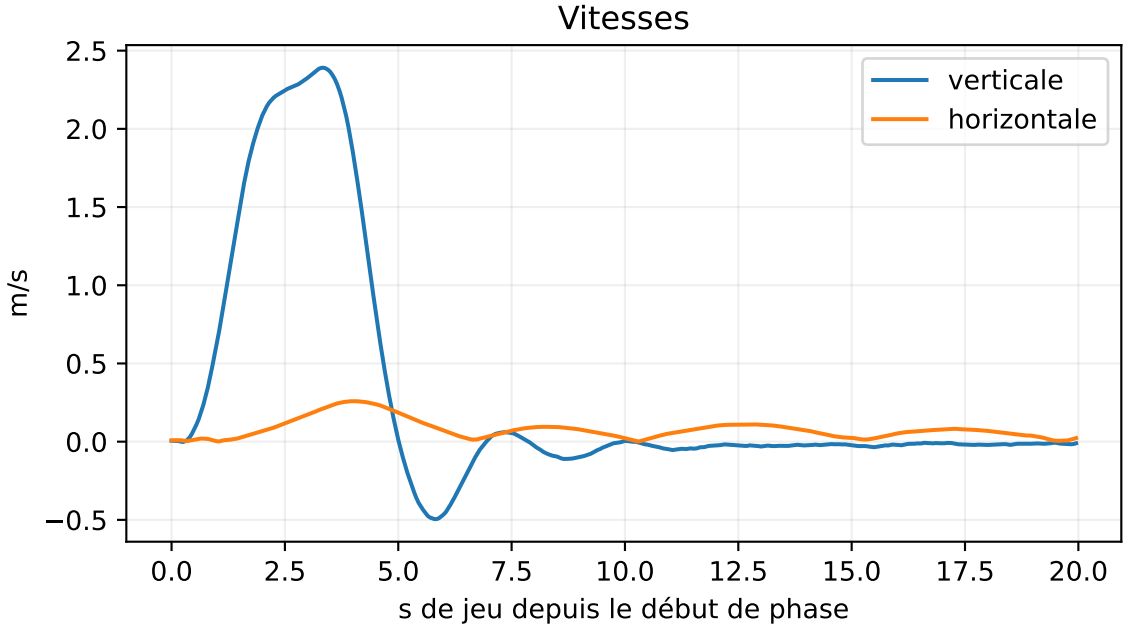

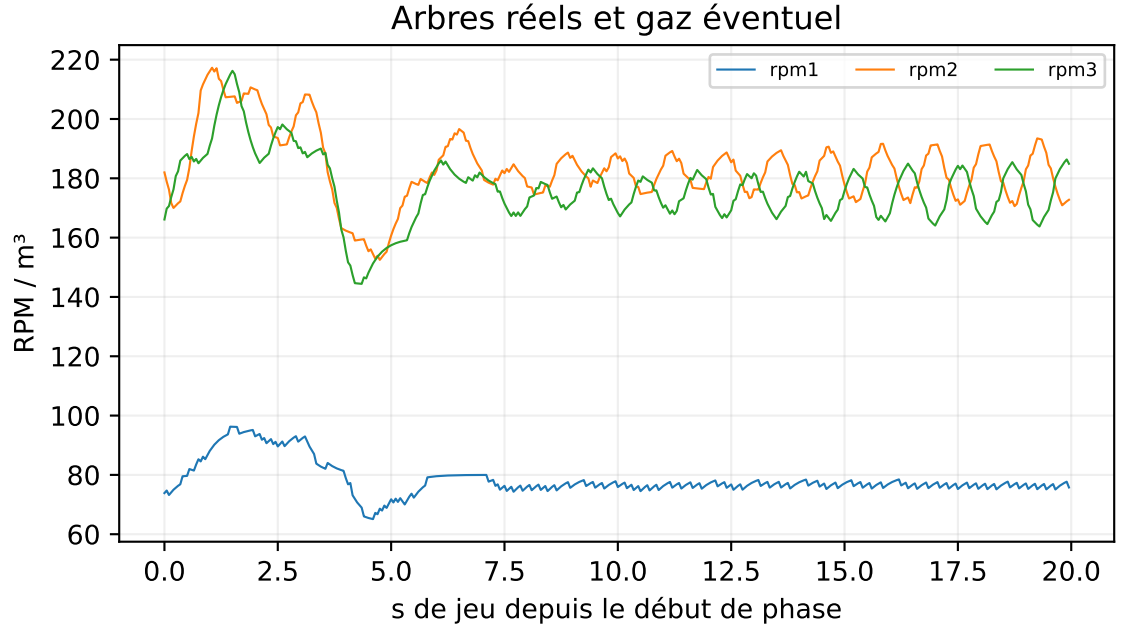

Construction native, vérification mécanique avant armement ; charge et géométrie propres à ce modèle. Qualification globale : non.

tri / climb — PASS — Minecraft réel

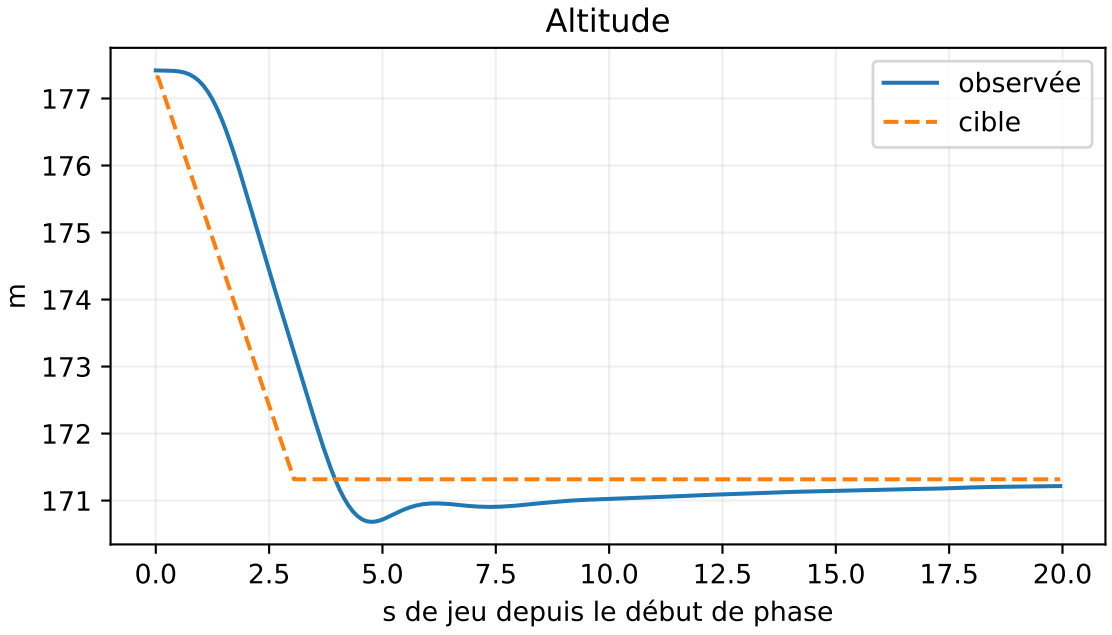

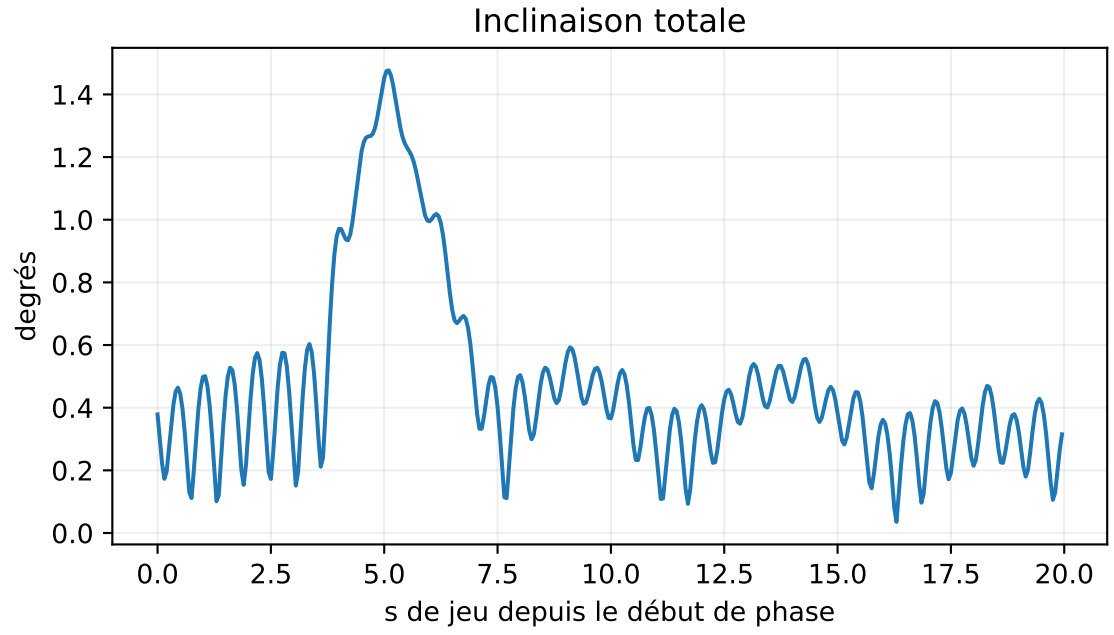

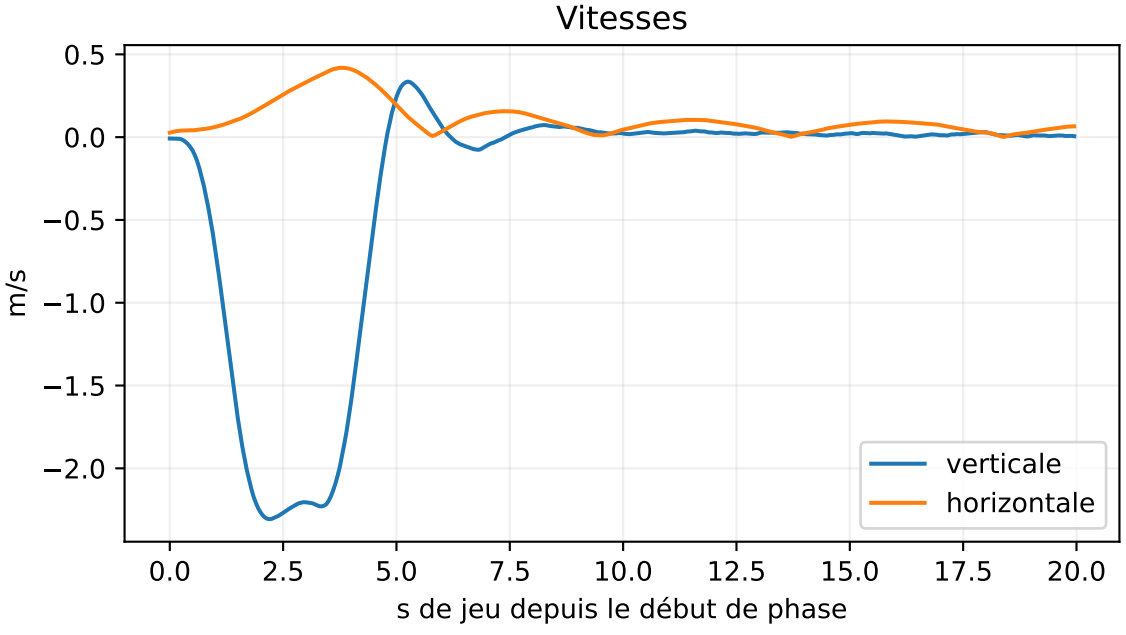

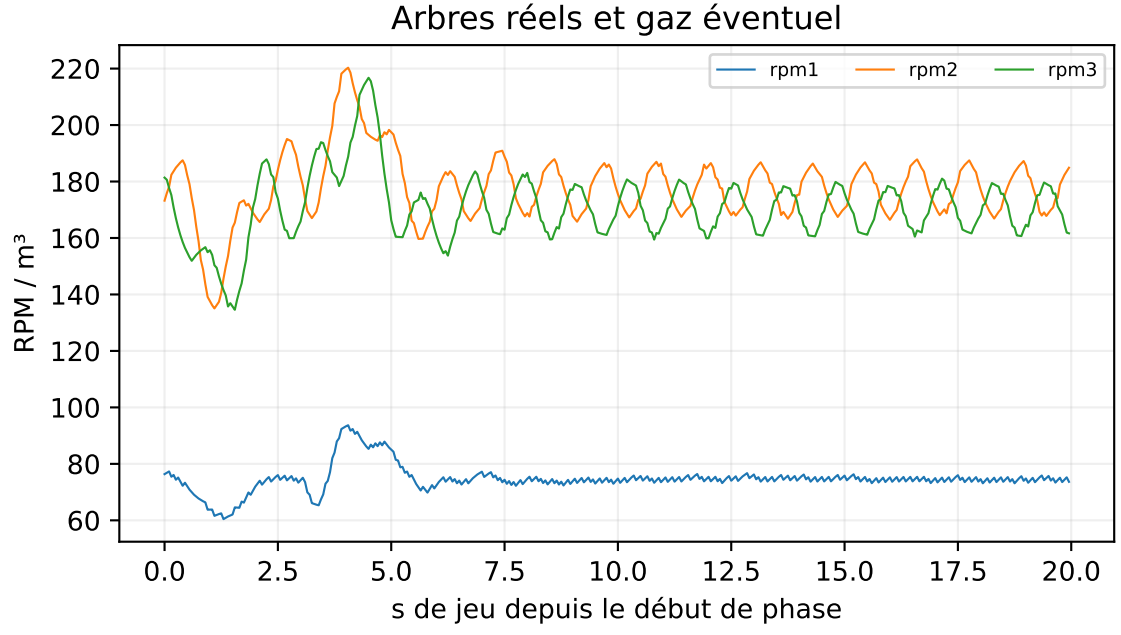

Construction native, vérification mécanique avant armement ; charge et géométrie propres à ce modèle. Qualification globale : non.

tri / descend — PASS — Minecraft réel

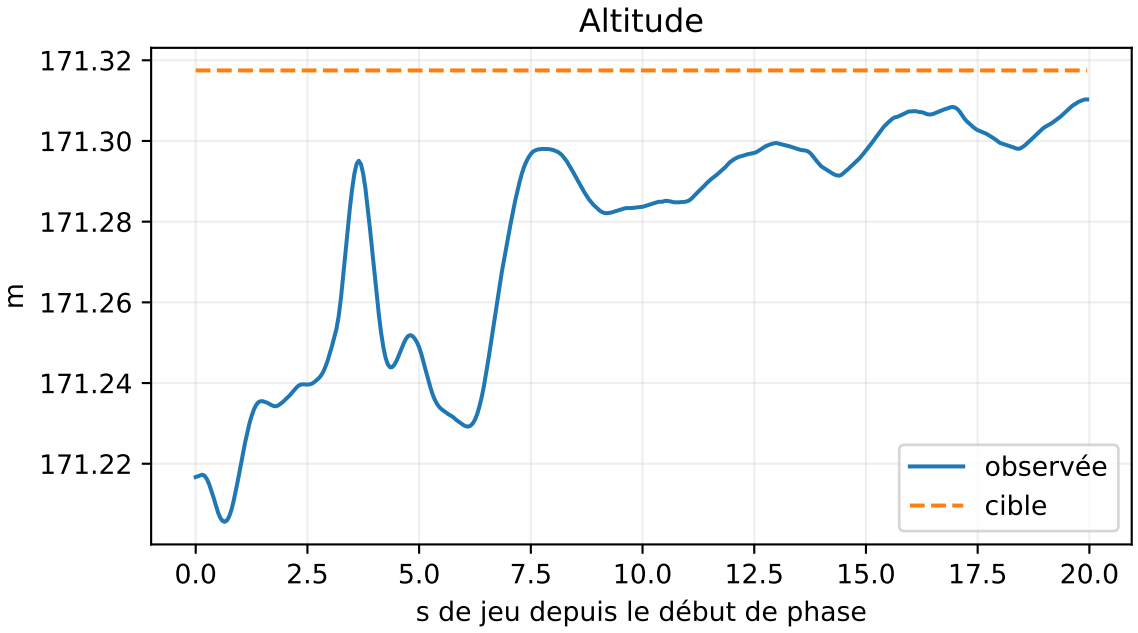

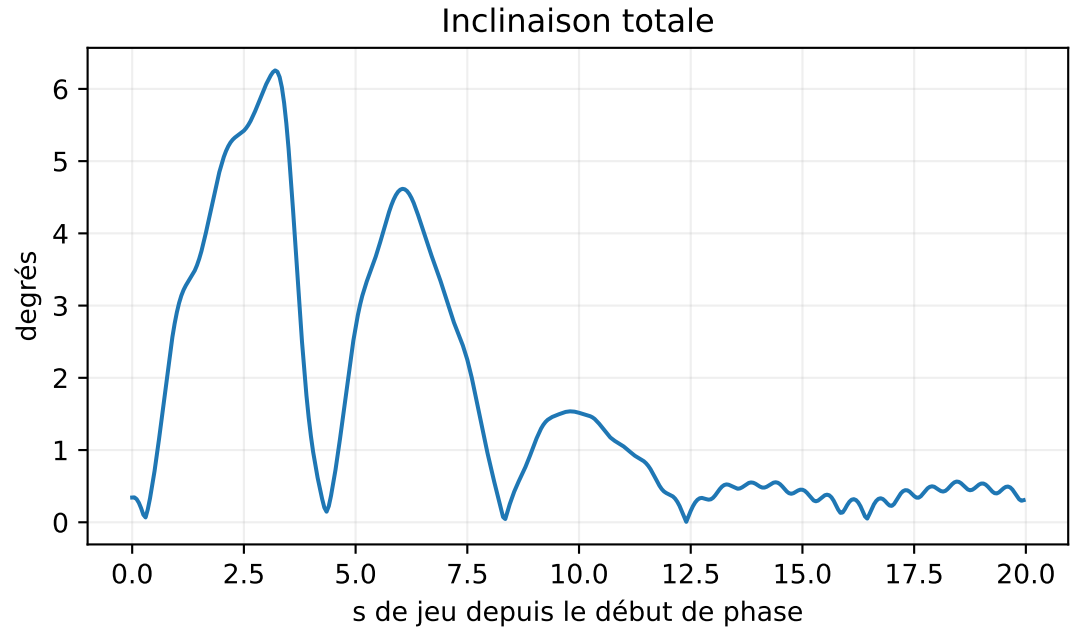

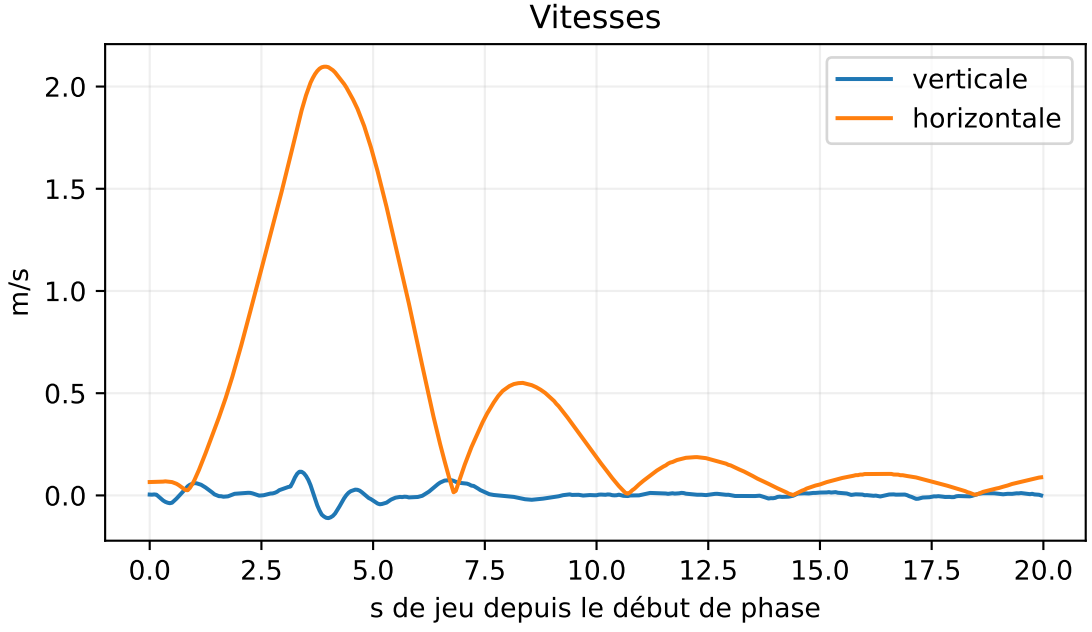

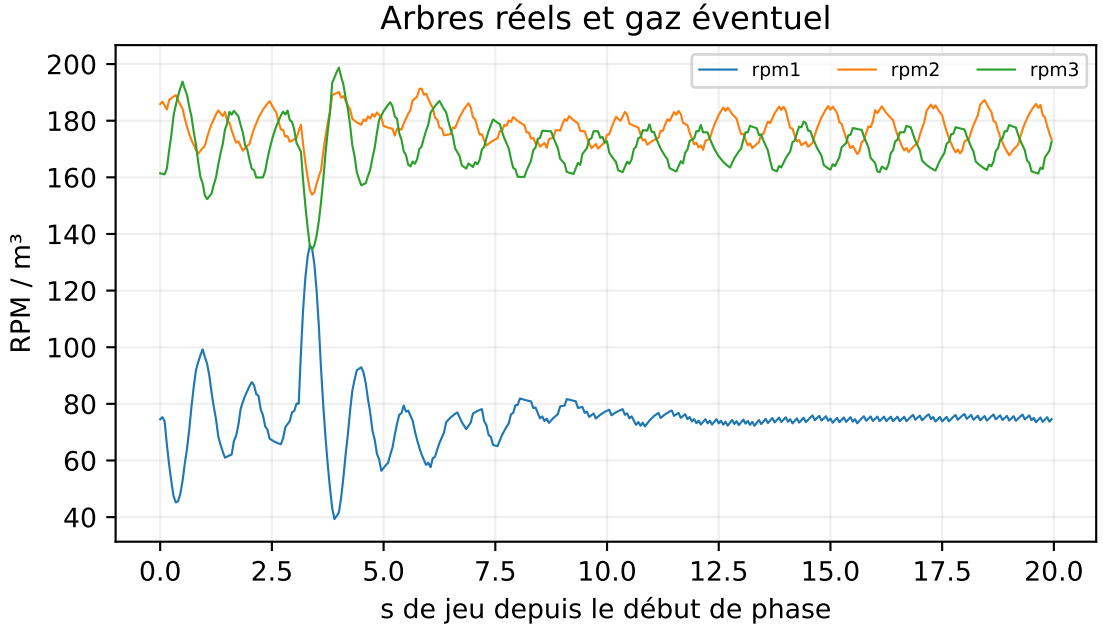

Construction native, vérification mécanique avant armement ; charge et géométrie propres à ce modèle. Qualification globale : non.

tri / forward — PASS — Minecraft réel

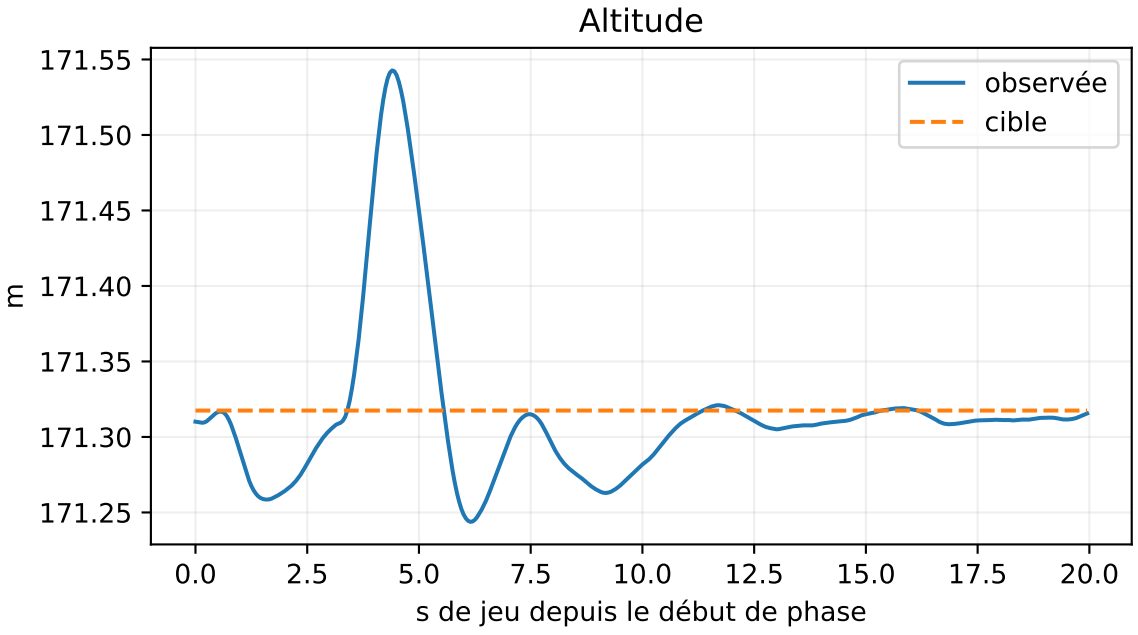

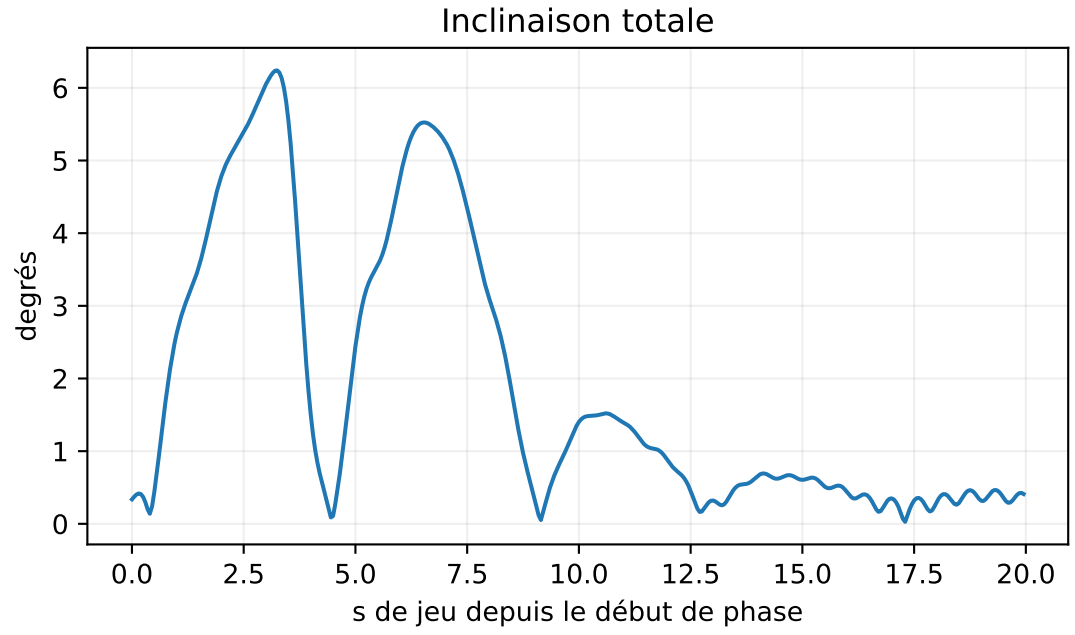

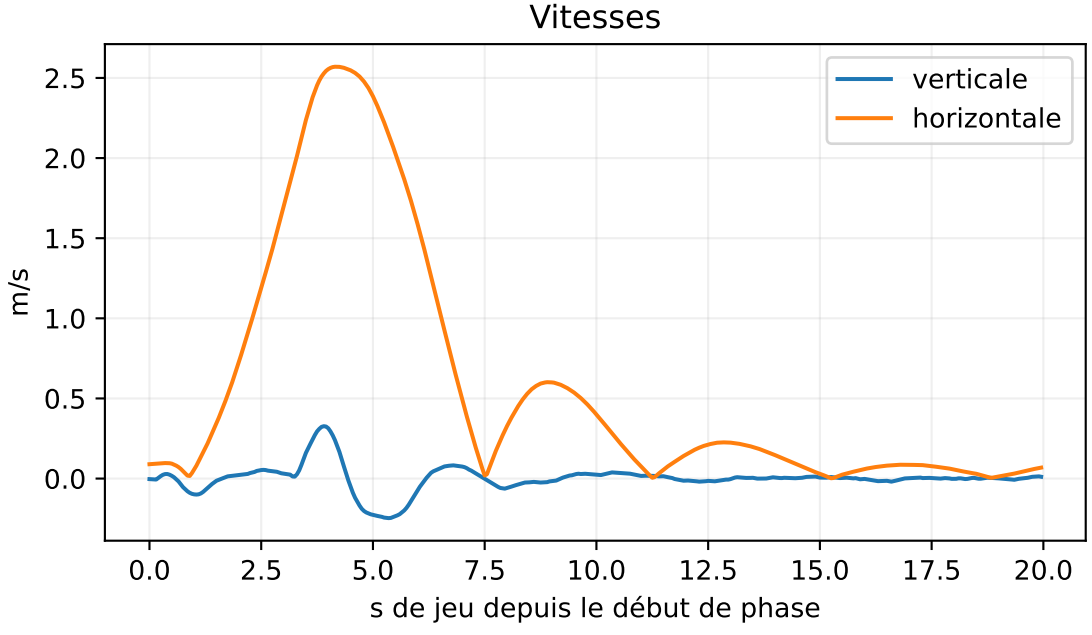

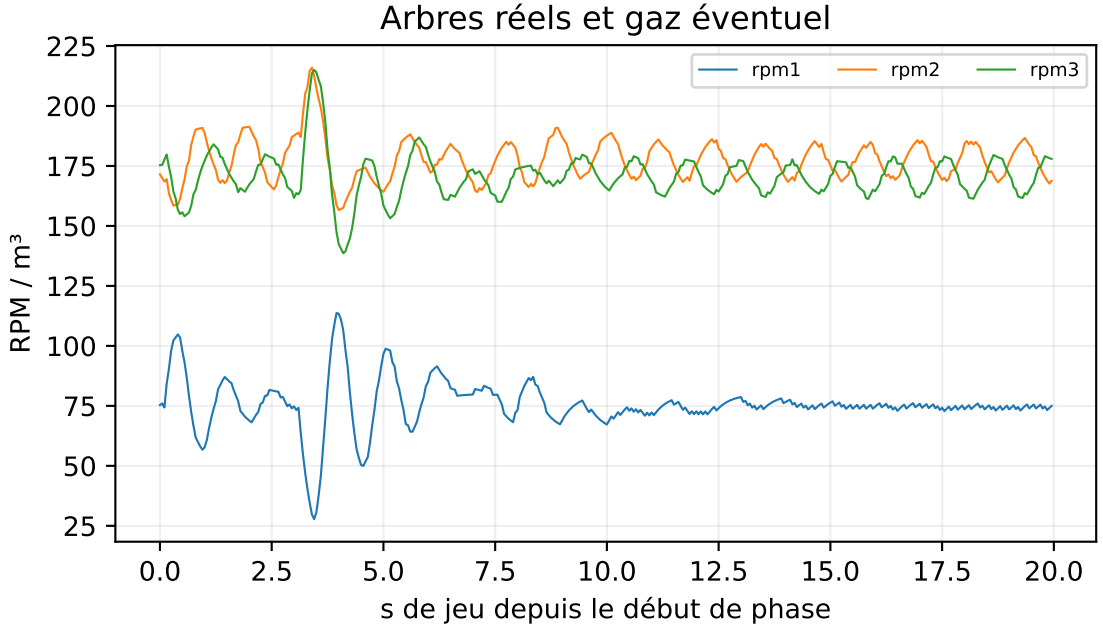

Construction native, vérification mécanique avant armement ; charge et géométrie propres à ce modèle. Qualification globale : non.

tri / reverse — FAIL — Minecraft réel

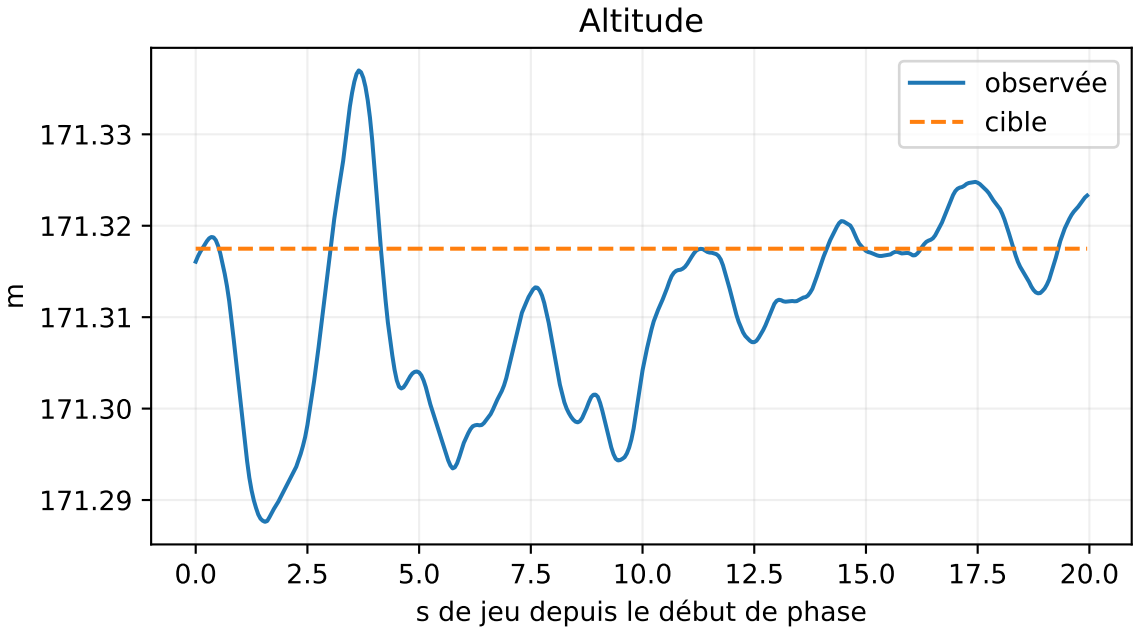

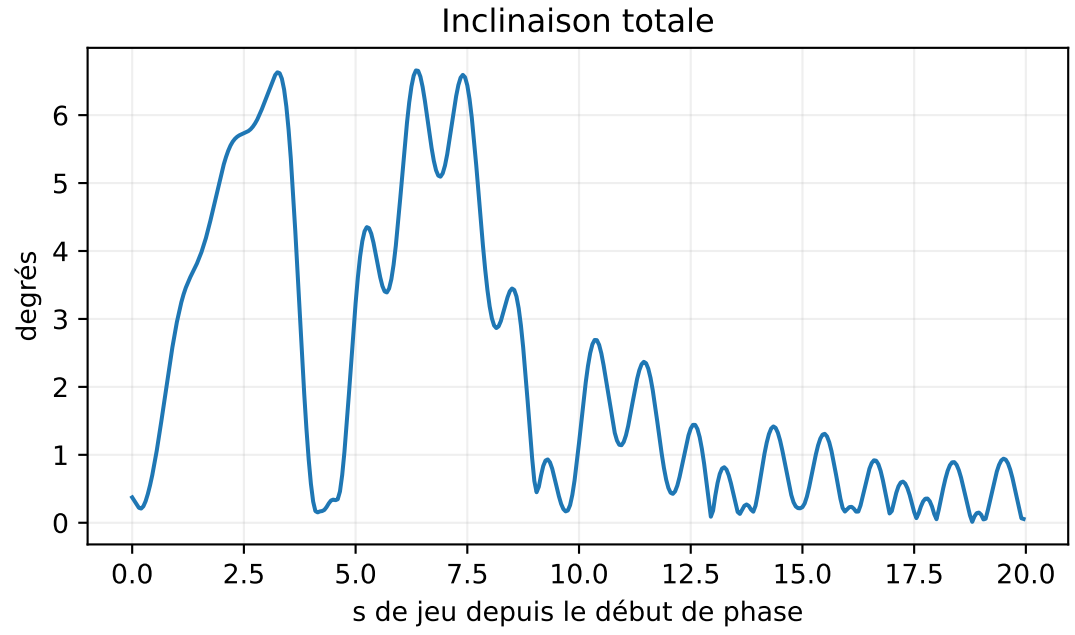

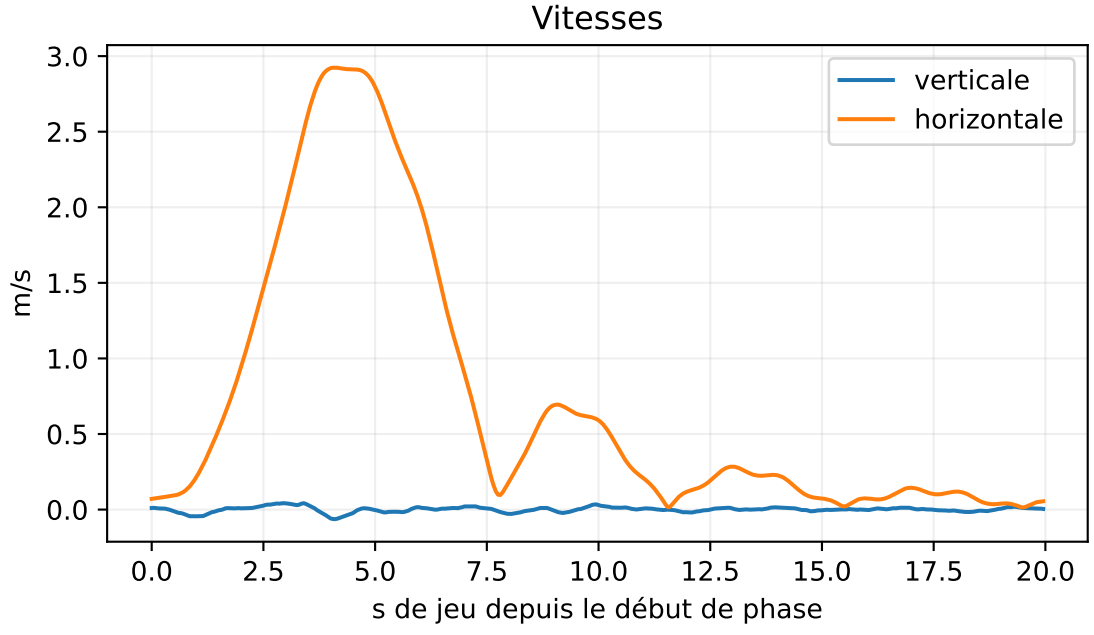

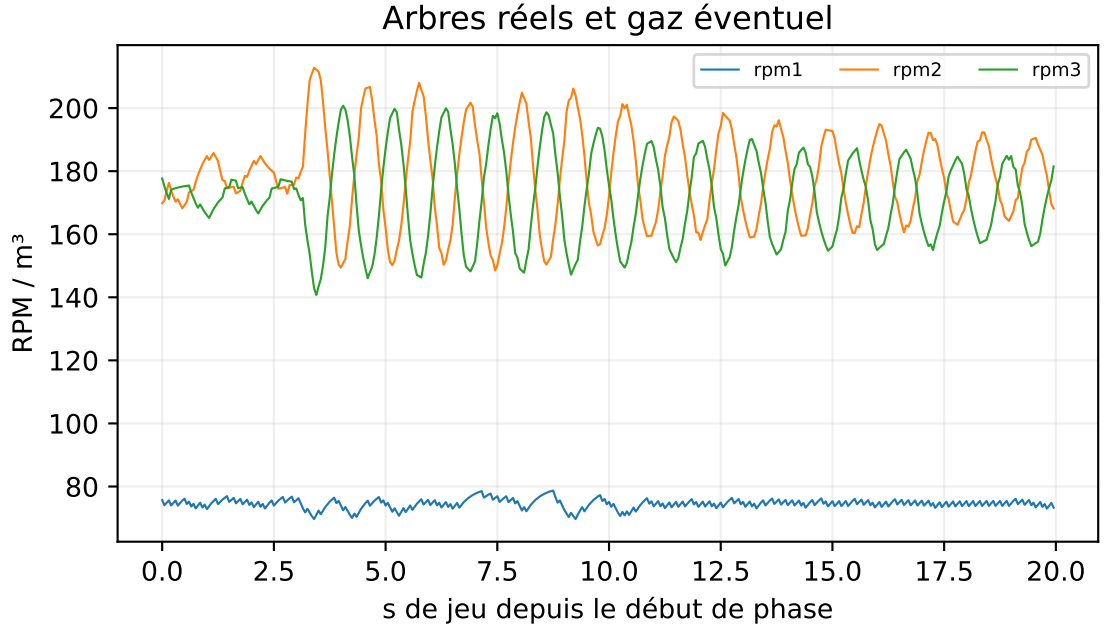

Construction native, vérification mécanique avant armement ; charge et géométrie propres à ce modèle. Qualification globale : non.

tri / left — FAIL — Minecraft réel

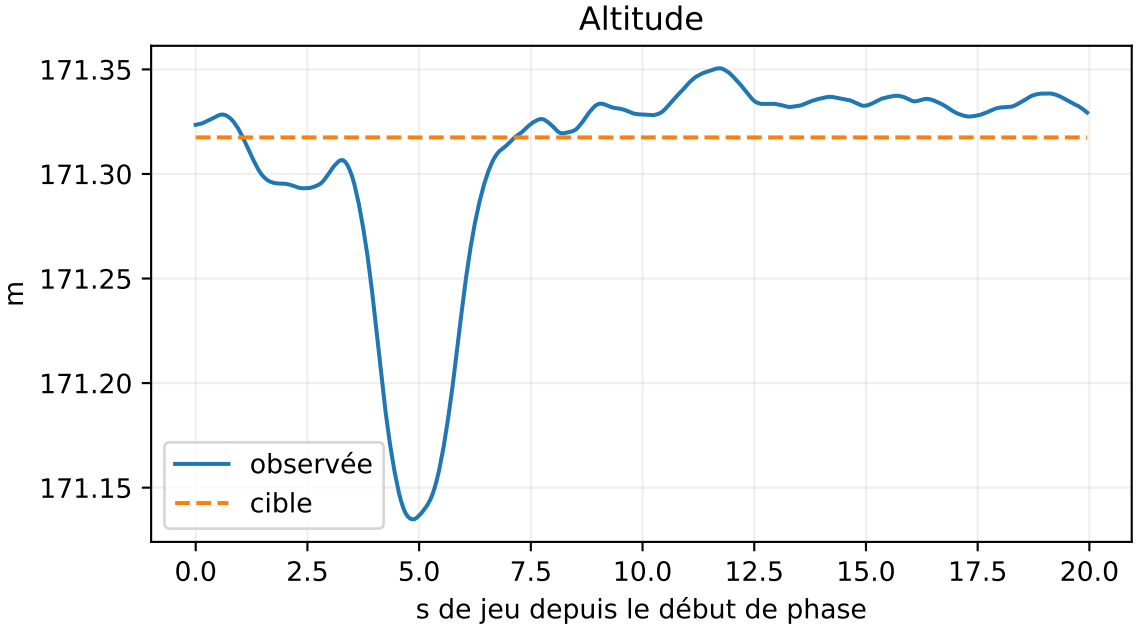

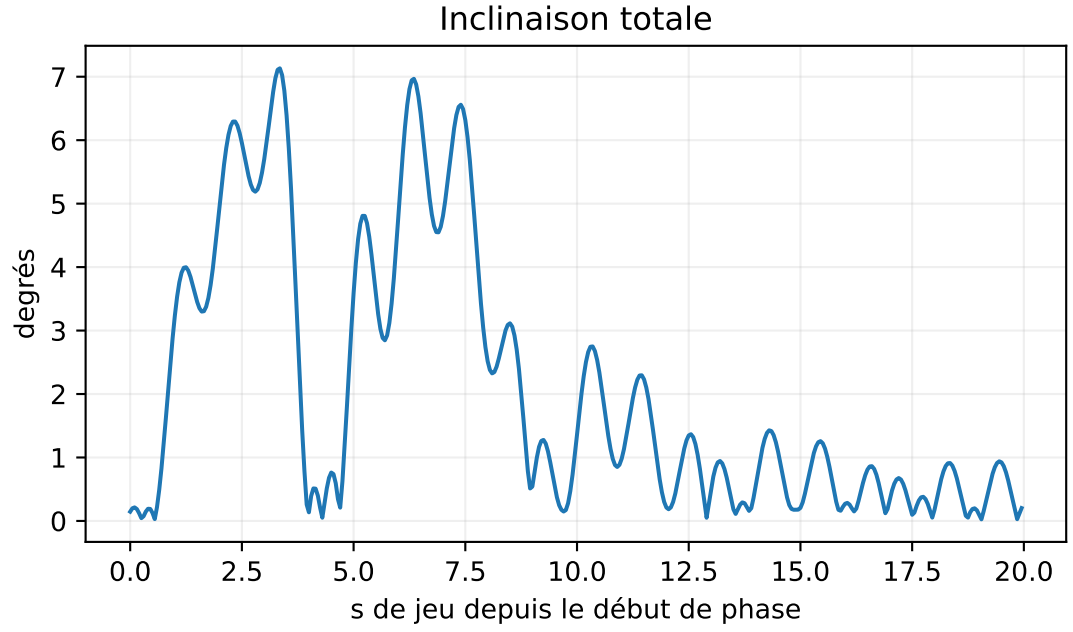

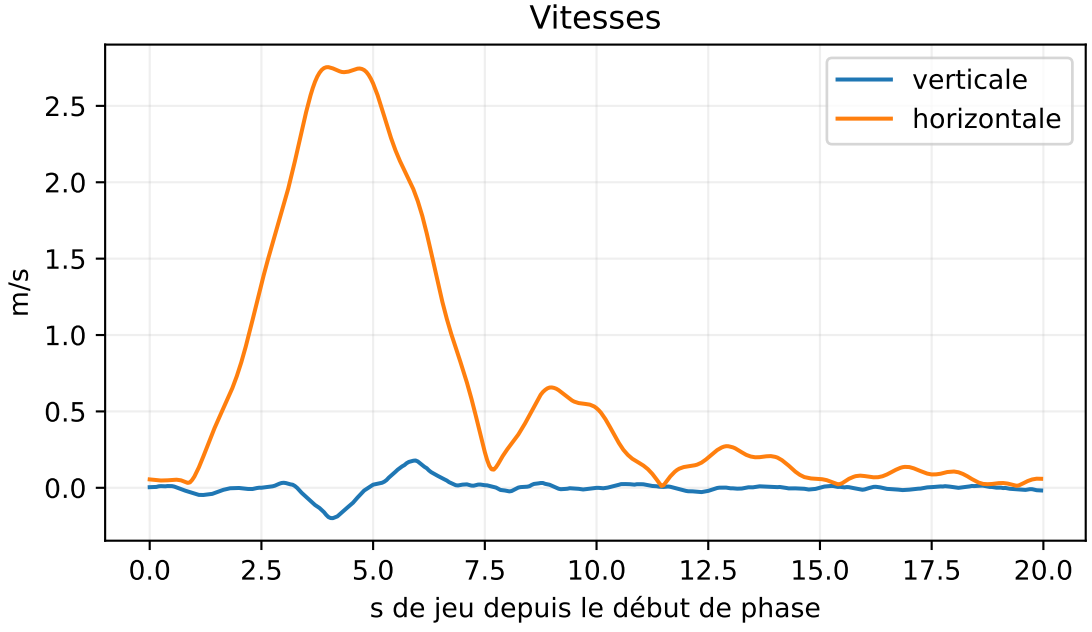

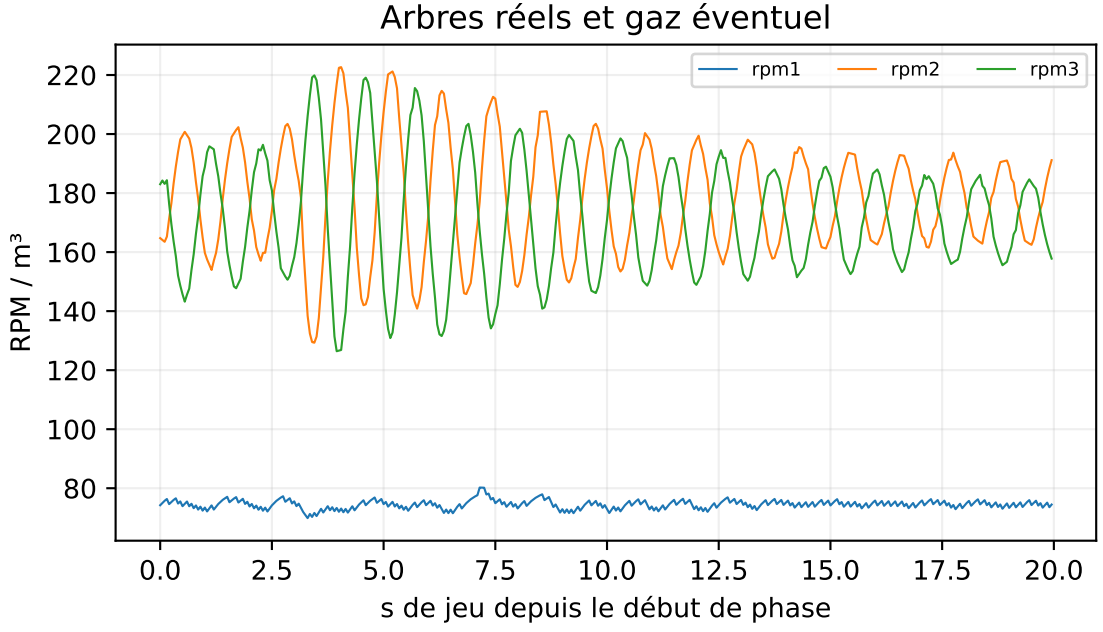

Construction native, vérification mécanique avant armement ; charge et géométrie propres à ce modèle. Qualification globale : non.

tri / right — FAIL — Minecraft réel

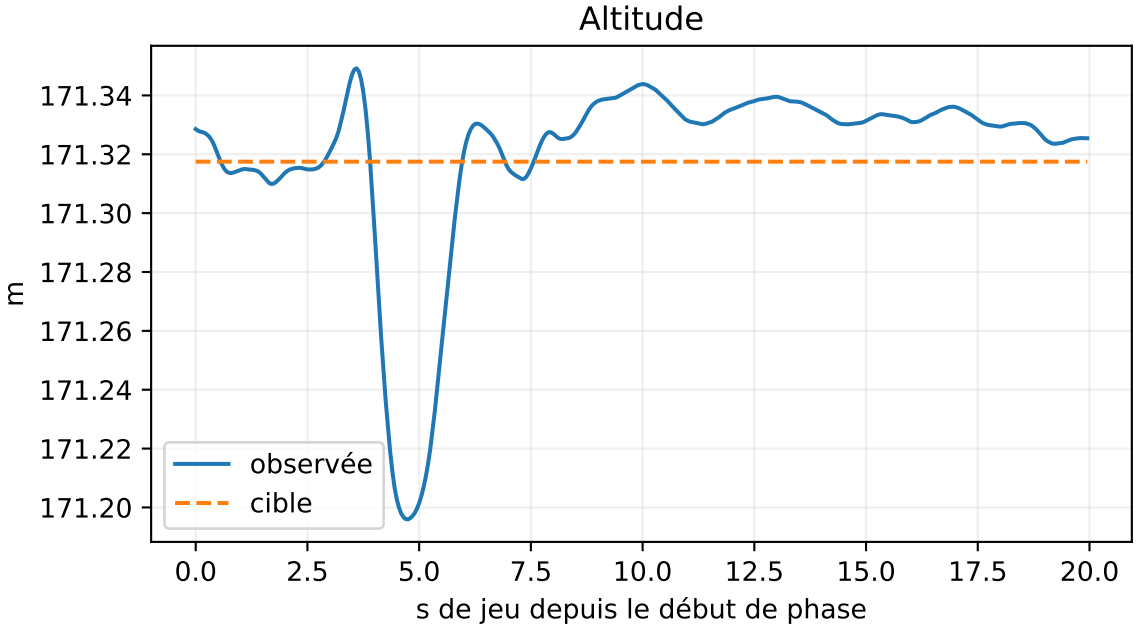

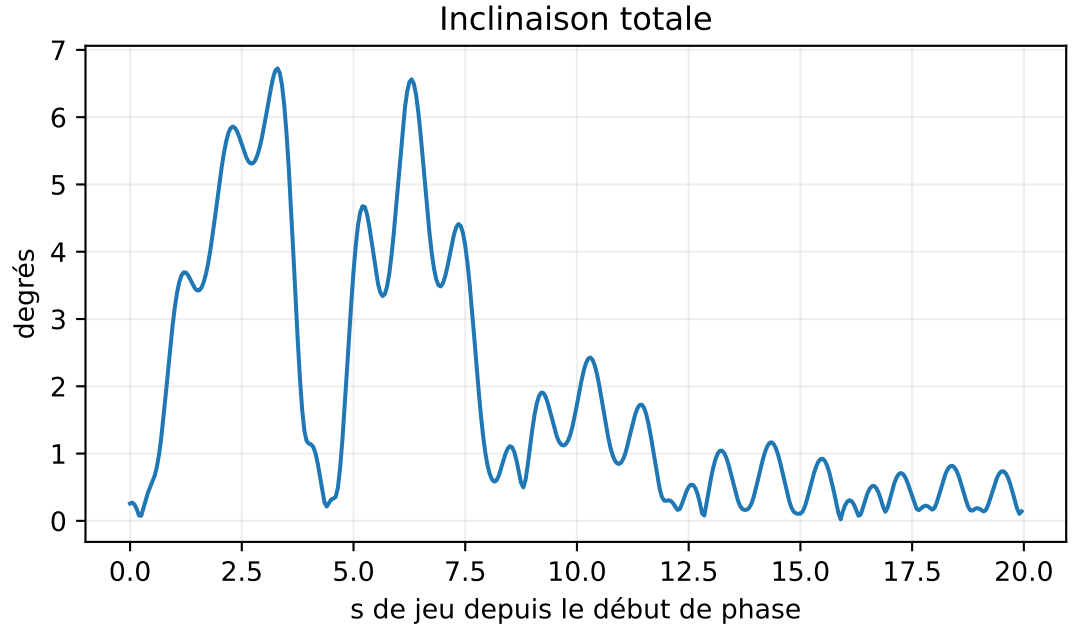

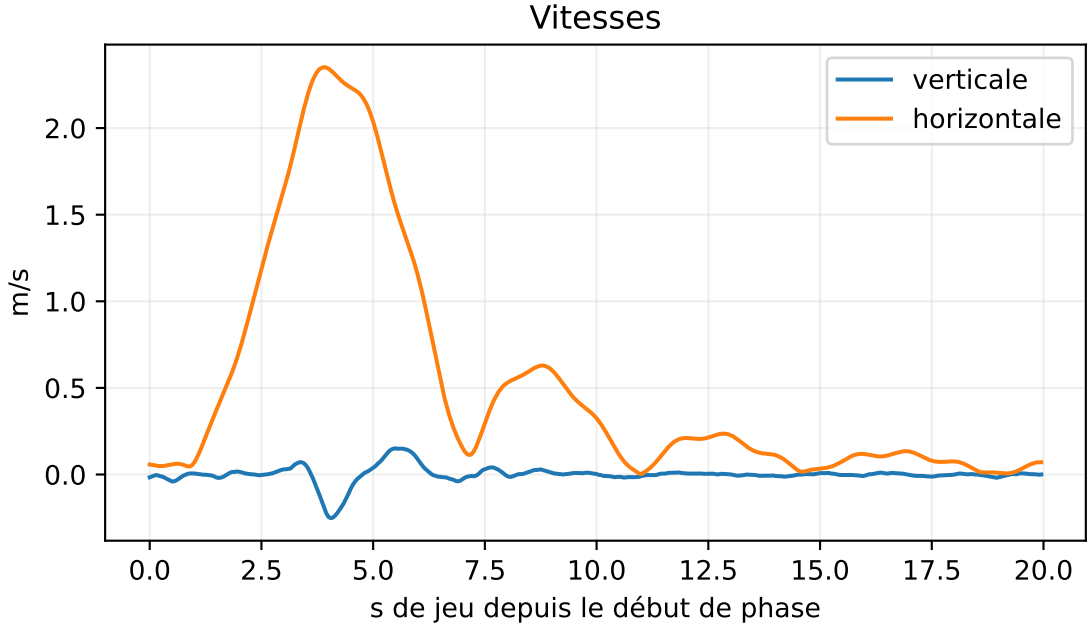

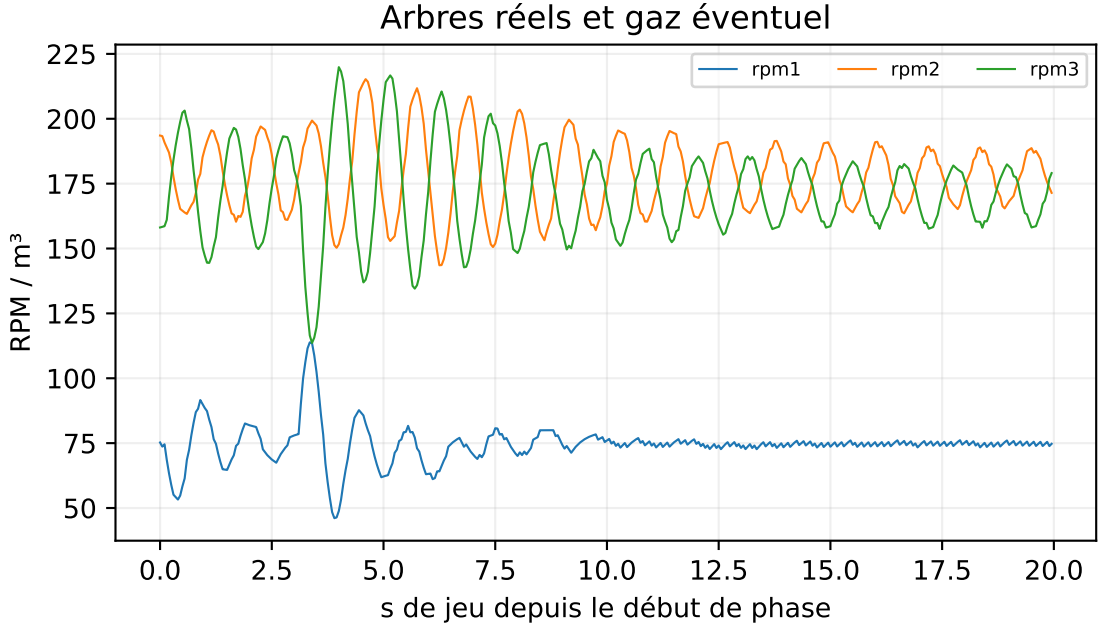

Construction native, vérification mécanique avant armement ; charge et géométrie propres à ce modèle. Qualification globale : non.

tri / diagonal — FAIL — Minecraft réel

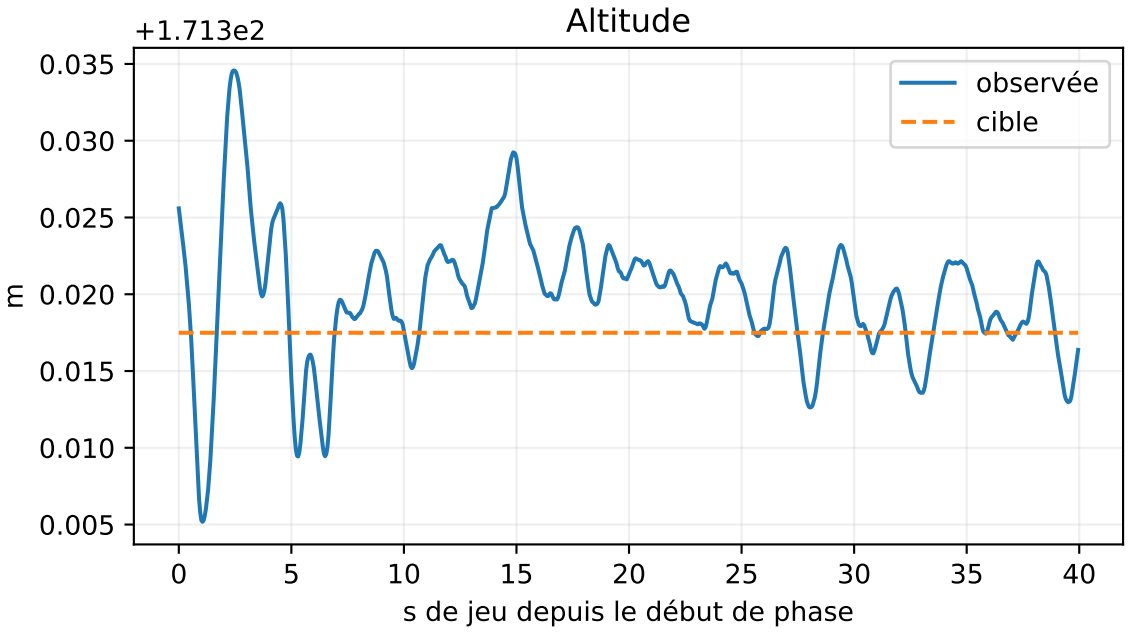

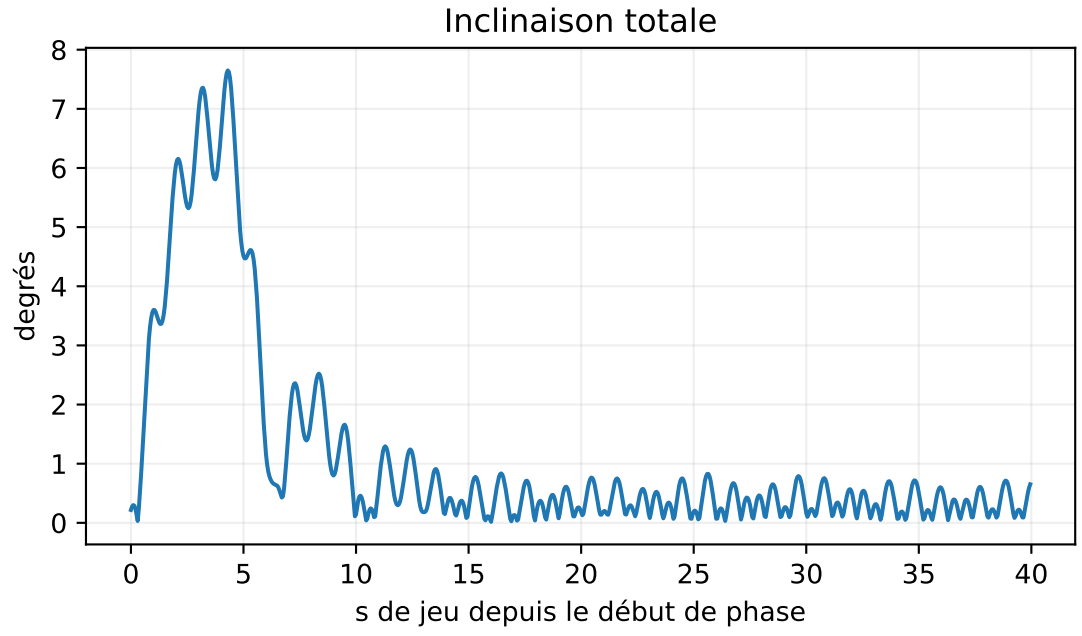

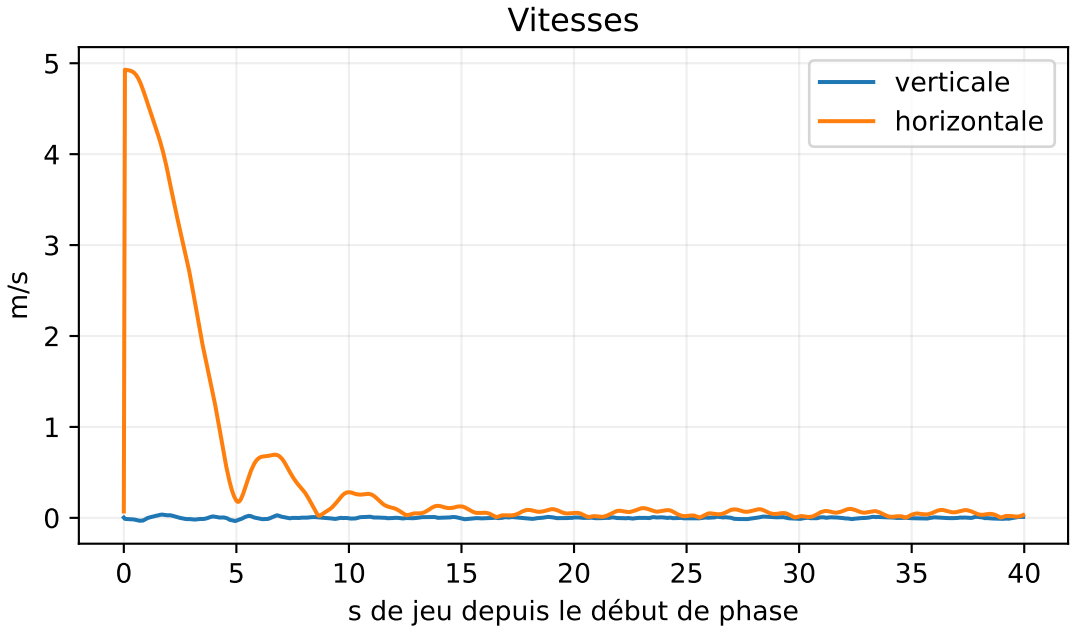

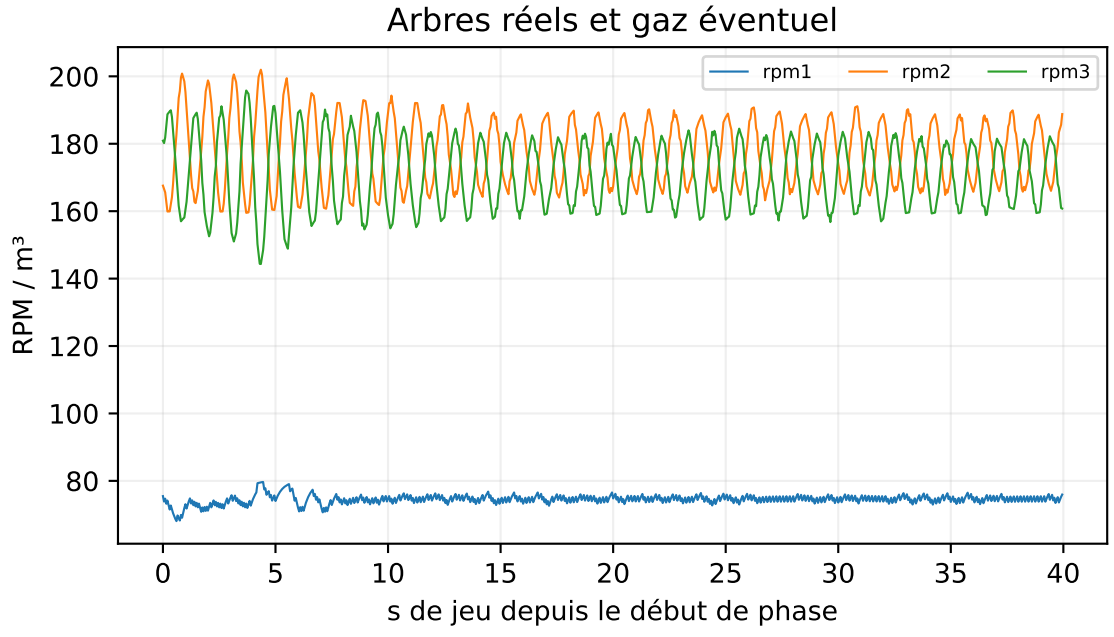

Construction native, vérification mécanique avant armement ; charge et géométrie propres à ce modèle. Qualification globale : non.

tri / shock — PASS — Minecraft réel

Construction native, vérification mécanique avant armement ; charge et géométrie propres à ce modèle. Qualification globale : non.
